Intact Females/Males: There is a daily \$5 fee for intact males/ intact females. INITAL C. We feed twice a day and water is available all day. We recommend bringing your pet's normal diet to help reduce stomach upset issues that may occur with diet change. D. If you request a bath or grooming for your pet, it will be performed on the last day of boarding. Please pick up your pet after 4:00 pm to allow time for us to bathe and dry all pets receiving this service. Some pets do get messy in a boarding kennel situation so we recommend bathing prior to going home. E. Illness or Medical Care: The most common issues associated with stress from boarding or a food change are vomiting, diarrhea or not eating. Some pets may also experience coughing due to exposure to some respiratory pathogens (like kids going to daycare and school). We will treat mild illnesses, at owner's expense (less \$75) and notify you at pick up if any issues noted while boarding and we will try to contact you at the emergency contact number listed above if we feel your pet may need further medical care or testing so that you can be involved in those decisions. Please keep	Meds Airlin	e Carrier Food
